

Year 5 – Autumn Term 2
Blwyddyn 5 – Tymor yr Hydref 2

Language & Literacy:

- ☆ Persuasive Texts – Present an argument about the importance of conserving environments to protect animals, especially butterflies and bees.
- ☆ Information Texts – To create an information leaflet for the Senior Citizens Tea Party
- ☆ Book Review – Reviewing the story of ‘Charlotte’s Web’
- ☆ Instructional Writing – How to create your ‘Super Beast’.
- ☆ Handwriting – learning how to use cursive handwriting, following new scheme.
- ☆ Grammar – Please refer the Grammar planning pack for Year 5.
- ☆ Spelling – Please refer the Spelling planning pack for Year 5.

Iaith & Llythrennedd:

Mathematics:

- ☆ Numerical Reasoning- Using grid multiplication methods to calculate the distances that insects jump based on their length.
- ☆ Data Handling – Create and complete database based on insect QR hunt and carry out advance search algorithms to filter desired results.
- ☆ Money – To buy the resources they need to create the Super Beast models, the children carry out financial education problem where a given budget must be adhered to when purchasing the materials.

Mathemateg:

Welsh:

Cymraeg:

- ☆ Creating an eBook for younger learners that follows a similar story structure to the ‘Very Hungry Caterpillar’ – ‘Lindysyn llwglyd iawn’, using a variety of alternative mini beasts.

Cwricwlwm Cymreig

- ☆ Butterfly Conservation in Carmarthenshire (Talk and subsequent life cycle activity)

Art & Design/D&T/Music:

Celf a Dylunio/Dylunio a Thechnoleg/Cerddorieth:

- ☆ To plan, design and create 3D models of their ‘Super Beasts’.
- ☆ Music – ‘Flight of the Bumble Bee’ see PPA planning.
- ☆ Create an insect mosaic.

Physical Education:

Addysg Gorfforol:

- ☆ Multi-skill: Please refer to P.E scheme for further details on invasion games, yard and trim trail activities.
- ☆ Gymnastics – Movement and body work related to theme. Floor and beam work to reflect pupil interpretation of invertebrate movement.

PSE/ Religious Education/ESDGC:

Addysg Personal a Chymdeithasol/ Addysg Grefyddol:

- ☆ SEAL – New Beginnings. Settling in to the new class year. Class rules.
- ☆ Islam and Christianity (Nativity) – see PPA planning.
- ☆ Conservation of Butterflies and Bumble Bees.
- ☆ Importance of respecting animals and how to counteract dwindling species’ numbers.

Science/History/Geography:

Gwyddoniaeth/Hanes/Daeryddiaeth:

- ☆ Branching databases to create classification keys for vertebrates and invertebrates. (Digital Competence)
- ☆ J2Data database of invertebrates, based on findings of a QR hunt. Pupils to then use advanced filtering processes to extract relevant data using ‘and, or’ search criteria.
- ☆ Lifecycles of butterfly (Explain Everything)
- ☆ Habits investigation. Which environment best suits worms (Dry and damp).
