

## Dear Parent/Guardian

This agreement is designed to help your child develop and progress as a learner in a supportive atmosphere both at school and at home. It is based on policies and practices which are the bedrock of Johnstown School.

This agreement is a way in which we can all commit ourselves to work in partnership during the coming years. We believe children achieve more and are happier when school and family work together. We believe the family can help their child more effectively when they know what the school is trying to achieve.

ICT is seen as an integral aspect of the 21<sup>st</sup> Century. With your consent, your child's image, video, voice and work may be published on our website.

We hope you will continue the traditions of Johnstown School by signing this agreement.
