Dear Parents/Carers

Following my recent letter, please see a link below to a questionnaire regarding your thoughts/concerns on children returning to school on 29<sup>th</sup> June. I urge you to respond as soon as possible as part of our consultation process - the feedback you provide to staff when they contact you will also be taken into account. From this information, we will plan our approach to managing the safe return for your child/ren and staff.

Johnstown School has been a main emergency support Hub for key workers' children and vulnerable pupils during the pandemic for local schools. This childcare provision for key workers' children and vulnerable pupils will continue for Johnstown School pupils from the 29<sup>th</sup> June. It will be a strict booking system and open to children where both parents are key workers and must only be used for emergency childcare purposes. Further details will follow when I receive information from Welsh Government and the local authority next week.

Thank you for your continued support; please be assured, we will support you, whatever choice you make for your child and your family regarding the return to school in June or September.

Best wishes
