Mr K McComas

2nd July 2020

Dear Parent/Carers

We have been informed that an individual at our school has been confirmed as positive for COVID-19. The school is working closely with Carmarthen County Council's Infection Prevention and Control Team and our partners in the Education and Children's Services Department.

Please be assured that the school takes these matters seriously and is following all the advice and guidance provided to us. I can confirm that no school contacts of this case have been identified.

I would like to take this opportunity to remind you that if you, your child or any one you live with has the following symptoms you must all stay at home:

- A new continuous cough and/or
- A high temperature
- A loss of or change in your normal sense of taste or smell.

If your child becomes unwell or needs to self-isolate, please report this to us as a matter of priority by phoning Delta Wellbeing on 0300 333 2222 and select option 4 or emailing TTP@deltawellbeing.org.uk who will notify the school on your behalf. Please note this service is available 24/7 during school hours, outside of normal school hours and weekends.

If you or your child feels unwell and need medical advice, please telephone NHS 111 for advice or visit their website 111.wales.nhs.uk or telephone your local GP.

We appreciate that this is a difficult and worrying time, and we would like to take this opportunity to thank you for your continued support.

Yours sincerely

Kevin McComas
Head teacher
