3rd July 2020

Dear Parents/Carers

I hope you are all well and have had a good week. We are very happy that the school has opened successfully this week – as I say to the pupils ‘It has been like melted chocolate!’ It has been wonderful to see the pupils return – they have been able to ‘catch up’ with their teachers and friends and had lots of fun. They have experienced many valuable wellbeing activities in their classrooms and the new outdoor areas. Below is a video link of some of the activities from this week.

[Return_to_School_Slideshow](#)

I can now confirm the names of these outdoor classrooms following our home learning competition. From now on, the building in the Secret Garden will be known as the ‘Bee All You Can Beehive’ – congratulations to Olivia in Year 5. The building on the field will be named the ‘Hideout Den’ - well done to Riley G in Year 2.

I am sure that Year 1, Year 2, Year 5 and Year 6 are looking forward to returning to school in two weeks time. Staff are busy preparing activities for Full time Nursery, Reception, Year 3 and Year 4 for next week – I am sure their experiences will be just as fulfilling, in our safe, secure environment.

A huge thank you to parents for your confidence in the school on our return and your kind feedback to us via email or on the yard. Whether or not you return your children to school, please be assured that we will continue to support learning at home. We value your input and support and we could not have achieved so much without you! When I have received more information from the Local Authority about arrangements for September, I will let you know.

As Head teacher, I am very proud of the work the staff have completed throughout the lockdown period and as we return to school. They are a very special team and Governors and I are most grateful for their support of our community as we return to school safely.

Yours sincerely

K McComas
Head Teacher
