Dear Parents/Carers

It has been another successful week, in our safe return to school for Full time Nursery, Reception, Year 3 and Year 4 pupils. Feedback from both pupils and parents has been very positive with lots of smiling faces and laughter throughout the day! Below is a video link of some of the activities from this week.

### [Return\\_to\\_School\\_Week\\_2](#)

The announcement yesterday by Education Minister, Kirsty Williams, that all pupils will be returning to school by September 14<sup>th</sup> at the latest, was unexpected – I am sure that you have many questions and /or some concerns. I will be receiving detailed information from Welsh Government and the Local Authority on Monday and will share these arrangements for the Autumn term later in the week.

We look forward to seeing Year 1, Year 2, Year 5 and Year 6 pupils next week for their final 'catch up' session before the Summer break. For Year 6, it will be their final week in Johnstown – they are a wonderful year group and I am sure they share many happy memories of their time at the school. For some families it will be an end of an era at the school. Thank you so much for your support throughout the years and we wish you all the very best for the future.

I am grateful to Year 6 staff who have organised party themed days and celebrations of their time at Johnstown. While the situation we are all in remains challenging, I am pleased that our 'Be All You Can Be' moto still prevails.

I hope you have an enjoyable weekend with your family – the weather is improving!
