Dear Parents/Carers

The weather has been glorious over the last week – September will soon be the new Summer! It has been good to catch up with so many of you over this period and I thank you for your support during these unprecedented times.

## School Bubbles

The pupils remain in their individual classes for most of the day, however, these bubbles are extended into their year group for short periods, for example, if they attend Breakfast Club, After School Club or during lunch times.

You will have seen on the news that some schools in Wales have experienced positive cases of Covid-19 and, in some cases, year groups placed into self-isolation. If there was a positive case in Johnstown Primary, the Local Authority Incident Management Team alongside the Test, Trace, Protect (TTP) Team will advise the school on the next steps. Communication systems are in place to contact parents in the event of an incident – please ensure that you have provided up-to-date contact details to the school admin team. It would also be a good idea to sign up for "Schoop"; again, please contact the school admin team for further information.

## MacMillan Coffee Morning – Grab & Go Event Friday 25<sup>th</sup> September 2020

We would like to do our very best to support this important Cancer charity. Whilst we cannot welcome you into the school hall for our usual coffee morning, we will be hosting a "Grab & Go" coffee and cake stall in the Memorial Garden. We will hold the event from **8.45am until 9.30am** and we look forward to seeing you there! I am grateful to the Friends of Johnstown for organising this worthwhile charity event.

## Meet the Teacher

Staff will be uploading current class information regarding class routines, themes and home learning by the middle of next week. You will find this information on the Classes section of our school website. The teacher One Page Profiles will also be very informative and will assist our partnership throughout the year.

Thank you for your continued support.

Yours sincerely
