Dear Parents/Carers

Many thanks to those parents who have now updated their contact information and also to those parents who have signed up to Schoop. This will help us greatly if we need to contact you urgently or keep you updated with school news.

Head teacher Award

We are currently unable to hold assemblies in school and usually on a Friday we have an Awards Assembly. I have therefore organised for Head teacher's Awards to be given each week in class – to recognise pupil's hard work and achievements. Pictures of the occasion will be uploaded onto the school twitter and a section will be organised on our website to record this special award. Please see the link below.

School Council

Congratulations to our new School Councillors who have been elected by their class (see names below). The councillors are busy organising a whole school meeting online to discuss school priorities and to agree upon charities to support this year. During this time they will also confirm arrangements for our '**Show Racism the Red Card**' charity event on **Friday October 16th**. Governors and I look forward to working with the Council to ensure that pupil voice continues to improve our school.

Parent Pay

I have been informed that not all parents have signed up to this valuable service for paying school dinners and payments to school. The service is also a mechanism for communication so I will be utilizing this channel for communication in the future. Mrs Bowen will send out letters and instructions today to those who have not signed up and I would be grateful if you would complete the online application to sign up to this service as soon as possible.

I hope you have a good weekend with your family.

Kind regards

Mr K McComas
