11<sup>th</sup> January 2021

Dear Parents/Carers

In my newsletter on Friday 8<sup>th</sup> January I mentioned that several families have contacted the school regarding their difficulty in accessing online learning as a result of the availability of devices in the home.

It is the school's intention to assist families as much as possible to support the programme of online learning. If you would like to make an application to loan a digital device, please complete the form using the link below:

[Digitally Excluded Application Form](#)

Whilst we will do our best to assist, we have a limited number of devices available and therefore we will need to prioritise the families in need based on the responses in the application form.

Please complete the form by **3pm on Tuesday 12<sup>th</sup> January 2021**. We will aim to contact you by Thursday 14<sup>th</sup> January if you have been successful in your device application.

Kind regards

**Kevin McComas**  
Head Teacher
