Dear Parents/Carers

I hope that you are keeping well and coping with Home Learning. I am most grateful to yourselves and staff for the outstanding efforts in supporting wellbeing and learning throughout these challenging times. I am also conscious of the perseverance of the pupils, who have on the whole, adapted so well.

We are all aware, that as the weeks progress, the challenge of Home Learning can become more difficult. If you require further support, please contact the school office for us to assist your online needs or resources.
