Dear Parents/Carers

Parental Questionnaire

It has been a number of weeks since all pupils have returned to school following the second lockdown, and we have been very pleased with how we have all settled back into our school routines.

In September, we gathered your opinions on the learning provision provided during the first lockdown. It would be very useful for us to gather your thoughts on how the provision was adapted for the second lockdown. We would appreciate it if you could spend some time completing the following Microsoft Forms to support our understanding of online provision.
